POS-materials for the promotion

Brand promotion

Recommendations for toilet water and aromas

2

Find a place in your city with high foot traffic to set up the machine

- We recommend installing machines in places where there is a large and constant flow of people;
- Perfume is an exclusive product that attracts the interest of 9 out of 10 passing people;
- We recommend installation in different locations to display the best statistics on the use of the machine.

Shopping centers

Sports clubs

Night clubs

Restaurants

Airports, train stations and gas stations

Public bathrooms
